Certified HUD Homes Sales Specialist, *The Horizon Award Winner*, REALTOR®

Bernie first started his real estate career in 1978 and over the years he worked for several local real estate firms including Merrill Lynch Realty, Colquit-Caruthers Real Estate, as well as the former CENTURY 21 franchise office in Falls Church, VA.

Growing up in an Air Force family, Bernie lived throughout the U.S. and abroad, attending 23 different schools by the time he graduated from High School. This life experience gives Bernie a unique perspective when assisting Home Buyers and Sellers, particularly military families and corporate relocation clients. Bernie's impressive Sales, Marketing, and management background came full circle with his return to his true passion, real estate, and he joined The Art of Real Estate Team in 2013. Bernie has lived in various parts of Northern Virginia with his wife, Glenda.

When not helping clients, Bernie enjoys spending time with his family, volunteering at his church, and restoring and driving antique cars.
